

K2 HOCKEY CLINICS

PRESENTS...

The 28th Annual

Power Skating Clinics & Conditioning/Puck Skills Clinics

***“EXPERT INSTRUCTION
FROM
PROFESSIONAL EDUCATORS”***

*Fact: Skating is the most important
Skill in the game of hockey. Having the
ability to skate effectively means having
the ability to play more effectively.*

*Fact: Teams practice skating, but they often
lack the expertise to properly evaluate skaters..
K2 instructors know what to look for and
know how to teach it effectively!*

NEED TO KNOW

Group assignments: Power skating participants are assigned to their group by K2 Hockey Clinic staff. You will be contacted with your assigned ice in early August.

Equipment: Full hockey equipment is required for both clinics including sticks and a personal water bottle (name on bottle please).

Inappropriate behavior will not be tolerated. A skater will be given a warning and if the behavior persists, will be asked to leave the program with no refund.

Minimum registrations must be achieved in each level for clinics to run.
